

You.

Are.

Awesome.

And by awesome,

I mean

totally awesome.

Dr. Ceydeli,

Thank you so much for allowing me to shadow you last week. I have been able to see all that is required of a Plastic Surgeon and I now know that it is possible for me to achieve. You are a great teacher and I enjoyed spending time with you. I learned so much and I appreciate your generosity. Thank you again.

Sincerely,
